

Why is AP Sensing a great place to work?

We are a fast-growing company, **active in a wide variety of markets**. Our solutions are used worldwide, from the Eurotunnel to the smart grid in Shanghai, from Alaskan pipelines to the Royal Mecca clock tower!

Enjoy a flat hierarchy and **the freedom to make a difference** in a dynamic international environment.

A great location in southwest Germany:

- Close to Stuttgart, the Black Forest and the Alps
- Easy to reach by car (A81, B464) or with public transportation (a 5-minute walk from the train stop to your desk)

Excellent infrastructure:

- Free parking, air-conditioned offices
- Close to the forest and jogging paths; beach volleyball
- Cafeteria (lunch is subsidized by AP Sensing) and shop
- Shower rooms for joggers and cyclists
